B. It will take about a year to obtain this additional vehicle once the TVA increase is approved. In the meantime the A&RC will continue to call the Motor Pool when a vehicle is needed. If a vehicle is not available from the Motor Pool, the A&RC will contact the Office of the [REDACTED] to see if one of the vehicles assigned to that office is available. If a GOV is not available, the A&RC will use a POV for non-scheduled emergency trips. For trips that are planned in advance, the A&RC will contact the Office of the [REDACTED] to arrange for a rented car.
